**Renewal Requirement:** If a mutuality plan is canceled within 90 days, any points awarded will be deducted, and bonuses previously given will be subtracted from future bonuses. Please stay updated on the renewal rate via the Good Driver App.

**Performance Contribution:** After a downline reaches L8, no additional points are earned from the L8 leg, but the 9 levels of bonuses will continue to be awarded for that leg.

**Rank Maintenance:** Affiliates must maintain the required number of direct referrals for each level. If a member exits or doesn't renew, causing the affiliate to drop below the required number of referrals, the affiliate has 30 days to replace the lost referrals and withdraw the bonus. During this 30-day period, the bonus for the original rank cannot be withdrawn. If the referrals are not replaced within 30 days, the affiliate will be moved to the corresponding lower rank.

**Future Changes:** When the platform reaches 100,000 Mutuality Plans, the direct referral requirement for upgrading to L1 will revert to 8 vehicles. Each subsequent level increase will require one additional direct referral.

## Limited-time Bonus

Available from:  
February 21, 2025  
Limited to the first 200 L1 advancements

# New Star Bonuses are bigger than ever!

**Bonus Rules:** Both tasks can be completed simultaneously, but Bonus 2 is only available after Bonus 1 is achieved.

**Bonus Settlement:** Ongoing bonuses, such as the "Leadership Bonus," are paid immediately. The additional 20% bonus based on the quote will be paid on Day 30, if achieved.

**Renewal Requirement:** If a mutuality plan is canceled within 90 days, any points awarded will be deducted, and bonuses previously given will be subtracted from future bonuses. Please stay updated on the renewal rate via the Good Driver App.
